

Thomason Transportation Program Application

The Thomason Program provides an opportunity for Kindergarten – 12th grade students from Title I schools as well as children from daycare/educational organizations serving low-income families in Albuquerque & Bernalillo County to enjoy free field trips to libraries in the Albuquerque/Bernalillo County System. The Thomason Transportation Program provides free round-trip transportation for students, faculty and chaperones, allowing them to take field trips to the libraries, participate in library programs and events, and visit the Center for the Book and more.

To schedule a library visit and request a free bus, please complete the application, sign, and return at least three weeks in advance. Please call (505) 768-5103 with any questions regarding the program/application.
